

CIVIL AVIATION AUTHORITY OF FIJI
ISO 9001: 2015 CERTIFIED

NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on issuance of the Standards Document for Aeronautical Meteorological Service Provider (Edition 4.1).

The Standards Document – Aeronautical Meteorological Service Provider Edition 4.1 introduces significant changes, including:

- 1) Restructured Annex 3, space weather information services, the international airways volcano watch (IAVW), the ICAO meteorological information exchange model (IWXXM), the world area forecast system (WAFS), improved definition of meteorological authority and introduction of a new definition of meteorological service provider; and
- 2) quantitative volcanic ash information as of 26 November 2026.

The applicability date for this amendment is **27 November 2025**. The effective date for this amendment is **30 September 2025**.

We invite you to participate in a consultation process ending **29 August 2025**.

Please submit your feedback using **Form QA109** to Manager.Legal&Enforcement@caaf.org.fj

The draft Standards Document – Aeronautical Meteorological Service Provider Edition 4.1 can be accessed via: [Industry Consultation - Civil Aviation Authority Of Fiji](#)

We appreciate your contribution to improving aviation safety and security in Fiji.
