

## NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on the publishing of a new Standards Document for Operation of Aircraft Part IV – International Operations – Remotely Piloted Aircraft Systems.

The new Standards Document - Operation of Aircraft Part IV – International Operations – Remotely Piloted Aircraft Systems will contain the provisions of ICAO Annex 6 Operation of Aircraft Part IV – International Operations - Remotely Piloted Aircraft Systems.

The new Part IV to Annex 6 is intended to introduce provisions related to international operations of remotely piloted aircraft systems (RPAS), certificated in accordance with Annex 8, in controlled airspace and at aerodromes.

The applicability date for this amendment is 26 November 2026.

We invite your participation in a 2-week consultation process ending 27 January 2025. Please submit your feedback using Form QA109 to the Standards & Compliance Department via email to [compliance@caaf.org.fj](mailto:compliance@caaf.org.fj). The Effective date for this amendment is 15 December 2024.

The draft Standards Document for Operation of Aircraft Part IV – International Operations – Remotely Piloted Aircraft Systems can be accessed via the CAAF website as soon as practicable.

We appreciate your contribution to improving aviation safety and security in Fiji.
