

This Supplement is to be completed by an applicant for the initial issue of an Aviation Training Institute Certificate for aircraft maintenance engineer training.

It should also be completed when there is a change that involves the use of any additional aircraft or a change in the maintenance arrangements.

AME1 Give details of any organisation holding an FJAR 145 Maintenance Organisation approval with which this AME training organisation is associated or of which it is a part or subsidiary. (Note AME1)

--

AME2 Types, number and registration marks of aircraft to be used in the certificated activities. (Note AME2)

--

AME3 Are any of the aircraft to be used for any other purpose? YES NO. If yes, give details. (Note AME3)

--

AME4 Places at which the aircraft will be based, if other than the AME training site. (Note AME4)

--

AME5 Name and address of the organisation that will carry out the primary maintenance and Scheduled Maintenance Inspections (SMIs). Where appropriate, include the Reference Number of the maintenance schedule to which each aircraft type is maintained. (Note AME5)

--

AME6 Provide details of any other equipment, facilities or aircraft parts that the organisation will use whilst providing the training covered under this Certificate. (Note AME6)

--

DECLARATION
