

CIVIL AVIATION AUTHORITY OF FIJI
ISO 9001: 2015 CERTIFIED

NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on issuance of the Standards Document for Instrument Flight Procedure (Edition 3.0).

The Standards Document – Instrument Flight Procedure introduces significant changes, including:

- 1) **New Certification Requirements:** It establishes specific certification requirements for Instrument Flight Procedure (IFP) Service Providers, Independent Reviewers, and Designers; and
- 2) **Stricter Procedural Controls:** The document mandates stricter controls for IFP design, validation, and data management. This includes requiring comprehensive checklists at every stage of the design process.

The applicability date for this amendment is **04 August 2025**. The effective date for this amendment is **04 August 2025**.

We invite you to participate in a 2-week consultation process ending **25 July 2025**.

Please submit your feedback using **Form QA109** to Manager.Legal&Enforcement@caaf.org.fj

The draft Standards Document – Instrument Flight Procedure can be accessed via: [Industry Consultation - Civil Aviation Authority Of Fiji](#)

We appreciate your contribution to improving aviation safety and security in Fiji.
