

CIVIL AVIATION AUTHORITY OF FIJI

ISO 9001: 2015 CERTIFIED

NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on issuance of the Standards Document for Aeronautical Information Services (Edition 4.0).

The Standards Document – Aeronautical Information Services Edition 4.0 introduces the following change:

- 1) The development of space weather information service;
- 2) The space weather-related NOTAM requirement is deleted to avoid confusion, and the information in the advisories, based on advice from States and industry, has been standardized.

The applicability date for this amendment is **27 November 2025**. The effective date for this amendment is **30 September 2025**.

We invite you to participate in a 2-week consultation process ending **31 Aug 2025**.

Please submit your feedback using **Form QA109** to Manager.Legal&Enforcement@caaf.org.fj

The draft Standards Document – Aeronautical Information Services Edition 4.0 can be accessed via: [Industry Consultation - Civil Aviation Authority Of Fiji](#)

We appreciate your contribution to improving aviation safety and security in Fiji.
