CONDITIONS APPLICABLE TO THE VALIDATION OF A FOREIGN AIRCRAFT MAINTENANCE ENGINEER LICENCE ISSUED BY AN ICAO CONTRACTING STATE

- (1) The applicant must hold a valid foreign licence before applying for a validation.
- (2) The applicant shall submit his foreign engineer's licence with this application.
- (3) A validation may be issued once only for a period of 14 days. Additional extensions will not be considered unless genuine circumstances can be demonstrated.
- (4) The applicant shall pay the applicable validation fee: - *'For fees & charges, please refer to current Civil Aviation Fees & Charges Regulation which can be obtained from Authority's website'*.
- (5) Refer to SD – Licensing of Aircraft Maintenance Engineers, Appendix 4, Guidance Notes, Section 3 - Exemptions for details on exemptions available to an ICAO type II licence holder converting to a Fiji licence. The examination syllabus is contained in Appendix 1 to SD – Licensing of Aircraft Maintenance Engineers. Refer to AIC 05/14 AMEL for further information on license validations.

Statement by Applicant

I certify that the information and particulars given in support of this application are correct and I have not withheld any information pertaining to the validity of my foreign licence. I have read and understood the conditions/privileges applicable to this validation.

I consent to CAAF obtaining confirmation about the authenticity of my foreign engineer licence from the relevant issuing Authority.
