NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on proposed amendments to the Standards Document for International Commercial Air Transport - Aeroplanes.

The Standards Document – International Commercial Air Transport - Aeroplanes aligns with the latest provisions of ICAO Annex 6 - Operation of Aircraft, Part I – International Commercial Air Transport - Aeroplanes, including Amendment 51.

Amendment 51 addresses the following:

1) Runway overrun awareness and alerting system (ROAAS), the use of the terms authorisation, acceptance and approval, end of flight location, minor amendments, protection of the flight data analysis programme (FDAP) and flight recorder recordings, as well as consequential amendments stemming from the adoption of Amendment 2 to Annex 19.

The effective date for this amendment is **3 August 2026**. The applicability date for this amendment is **26 November 2026.**

We invite you to participate in a 2-week consultation process ending **16 November 2026**.

Please submit your feedback using **Form QA109** to compliance@caaf.org.fj.

The changes to the Standards Document – International Commercial Air Transport - Aeroplanes can be accessed via: Industry Consultation - Civil Aviation Authority Of Fiji

We appreciate your contribution to improving aviation safety and security in Fiji.
